

February 2021

Dear Ministry Friends,

"But while they were on their way to buy the oil, the bridegroom arrived. The virgins who were ready went in with him to the wedding banquet. And the door was shut. Matthew 25:10

This beautiful parable of Jesus describes the importance and urgency of being ready for the bridegroom's arrival. Jesus is talking about His return for His Church. Returning for Believers everywhere who have put their faith in the name of Jesus. Who are living for Him, without compromise. Expectant, alert, and ready!

GET READY

There are those among us, in our families, in our friend group, and those we meet everyday, who are not yet ready for the most important date in the universe. At the last trumpet. At the sight of our King Jesus, coming to us in the clouds, it will be too late to yield your life to Him at that moment. Only those who are ready will go with the Lord.

"Preparing the way of our soon returning King Jesus!" - Heather and John Tayloe

Heather and I have been working with our VOICE OF HOPE missionary broadcast teams ministering to Africa, Israel and Latin America, to be sure we are emphasizing the Salvation message of Jesus over the air. We have also added discipleship programming for new Believers, with the expectation that our listeners will share their faith with others, as the Bible teaches.

A renewed urgency to "get ready" and to prepare our hearts and to share this message of Hope with others, has penetrated our very being. We find ourselves thinking and talking about it all the time now, and we are not alone. The Holy Spirit is speaking to millions around the world and very soon we will see the largest Harvest of the Lord in the history of the world. You will see it with your own eyes!

EVERYONE WHO CALLS ON THE NAME OF THE LORD WILL BE SAVED

The prophet Joel spoke of this time of Harvest. And Peter, in the book of Acts, read the words of Joel on the day of Pentecost to those who were witnessing the arrival of the Holy Spirit. *"In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams.... And everyone who calls on the name of the Lord will be saved."*

FROM ISLAM TO JESUS

This week I received some amazing news from Nizar Elamimy, who is our Program Director for the VOICE OF HOPE radio station in Israel. Nizar had just interviewed live on the air a famous Muslim TV announcer, Muhammad Al Moumen from Kuwait, who had recently accepted Jesus Christ in his heart.

As we aired Muhammad's testimony live on Facebook, live-stream, as well on our VOICE OF HOPE iPhone and Android telephone apps, over 55,000 new viewers/listeners from all over the Middle East tuned in to hear the testimony of a famous Muslim who is now following Jesus.

Also on this broadcast was featured new music performed by former Muslims sharing their testimony in song. Over 6,000 of those who viewed the powerful testimony of Muhammad, now follow the VOICE OF HOPE online. All glory to God!

THERE IS AN ANOINTING ON THE SALVATION MESSAGE IN THIS HOUR

Heather and I believe we are seeing the very beginning of a new move of the Holy Spirit on the earth. We believe it will be just as the Prophet Joel spoke of so many years ago. As we broadcast Jesus' Salvation to the beautiful people of Israel, Syria, Lebanon, Jordan, Egypt, and the entire Middle East, there is an increased response and openness to following Jesus like never before.

Please help us this month with your prayer and financial support to deliver God's powerful message of redemption. This is our time to share Jesus' Salvation, not just in Israel and the Middle East, but around the world through our powerful VOICE OF HOPE missionary radio stations. Thank you!!

In the Service of the King,

John and Heather Otis Tayloe
Founders and President
